Prayer Shawl

Thank you so much for joining in our Prayer Shawl knitting group.

Message from the Manse:

A number of years ago I was given a prayer shawl by a minster friend of mine in Glasgow. It has been a very treasured gift and sits proudly on my prayer chair in the manse.

I feel it is a lovely way to extend our Ministry within the community with a tangible expression of our love.

A shawl will be given to individuals whom we feel may need a little bit of support and comfort. Each shawl will be given with a card from the church, a copy of the card can be seen on the website.
